

Greensboro: BRYAN PARK

Winston-Salem: REYNOLDS PARK

GAIN 9-HOLE PLAYING EXPERIENCE!!!

AGES 11 - 17

The Triad Youth Golf Foundation is excited to introduce the TYGF Futures Team Golf league.

The program, built on the successes of TYGF Par 3 Team Golf, allows graduates and advanced Par 3 players the opportunity to progress their games on regulation courses. The semi-competitive atmosphere lends itself to quicker learning of skills and etiquette as preparation for junior tour events that may be in the junior's future.

Each league consists of a kick-off qualifying day, a regular season where each team plays challenge matches in stroke play & Ryder Cup style matches. The league ends with a Championship and awards ceremony. In addition, each season awards are given out for the Leagues Most Valuable Player & Most Improved Player.

This program is a great way for your junior to learn more about playing the game and enjoying competition! We look forward to seeing everyone out there!
