

PAR 3 TEAM GOLF TRIAD CHAMPIONSHIPS

Monday, May 18, 2009

Precision Golf School and the Triad Youth Golf Foundation would like to thank all of the players and parents of par 3 team golf for making this spring 2009 season possible.

We enjoyed seeing all of the kids progress as golfers and people throughout the season. It is our hopes that you will continue to enjoy the great golf avenues that are available for you. Please check out our summer camps at precisiongolfschool.com and our summer opportunities at tygf.org.

Also, for those of you who feel you may be ready to take your games to the regional level, we will offer US Kids Golf this summer. Many of you received some brochures on the tour, but you can also go to www.uskids.tygf.org and register for tour in the Triad. The summer tour will begin on Wednesday June 17th and last til July 28th.
